Acceptance of Trade Mark Application

Thank you for your response of 6th May 2026.

The requirements for registration appear to be met so your application is accepted.

What happens next?

The details of your application will now be published in our online Trade Marks Journal for opposition purposes. As soon as your trade mark is published, we will send you confirmation of the publication details.

After the mark has been published, there is a 2 month opposition period in which anybody may oppose its registration. If someone gives notice that they are considering an opposition, this period will be extended to 3 months. If we receive any opposition, or the opposition period is extended, we will write to tell you.

When will my trade mark be registered?

If nobody opposes the mark, we will register it 2 weeks after the opposition period ends and send you the registration certificate by email.

Yours faithfully,

Becci Woodcock
